Dear Community Partner,

The Simi Valley High School Dance Team is growing and thriving! This year, our program proudly offers **five different class levels** and a **competition team** that will represent our school at **regional and national competitions** throughout the year. With this exciting growth comes new opportunities—and new costs—for costuming, travel, competition entry fees, and production expenses.

We are reaching out to invite you to become an **official sponsor of the SVHS Dance Team**. Your generous support will directly benefit our dancers as they continue to develop their technique, teamwork, and school spirit through the art of dance.

Below are our **2025–2026 Sponsorship Levels**:
